Our Mission

- To produce universal quality products and services in the country and abroad with our entrepreneurial spirit, to become a trusted brand globally recognised worldwide, increase customer satisfaction.
- Quality, environment and all national and international conditions, complying with the laws and regulations to maintain the understanding of quality production.

Company Brief

We are the leading Fasteners Manufacturers, Fasteners Suppliers & Fasteners Exporters based in Ludhiana (India) known as Inder Fasteners.

We Introduce our firm Inder Packing Store as leading manufacturing stockiest of Plain Washers, Pack Washers, High Tensile Washers, HSFG Washers, Spring Washers, Rectangular Washers, Square Washers, Conical Washers, DTI Washers, Industrial Nuts, Industrial Bolts & Screws, Etc. as per International Standards such as DIN, ASTM, BS, ANSI, etc. as well as customised requirements. We maintain Quality of our products as well as cost. We never compromise with products in relation to quality as quality products are our company's backbone. We provide very competitive rates to our reputed customers with 100% customer satisfaction.

Quality

Inder Fasteners is committed to meet all quality requirements of our esteemed customers. Inder Fasteners team at all levels of managements understand and appreciate that each piece of fasteners is critical for the customer to meet its functional requirements. Since we manufacture millions of pieces daily, we focus on Quality Control at various stages of manufacturing processes rather than on the end product. As a result we at Inder Fasteners are proud to share that in spite of High quantity business we maintain Zero PPM for many critical fasteners and achieve PPM targets well within our customer requirements.

Infrastructure

Ensuring that all our product stick to high quality standards, we assure that each product is offered at most competitive prices and especially to OEMs. Our manufacturing facility is ably supported by a qualified and dedicated team of engineers, technicians and skilled workers which assures quality output. Our team truly understands the concern of our clients and work in coordination which enable to develop a boost cordial relationship with our esteem clients.
